Vision:

To extend the services of quality education among the tribal students especially in remote tribal areas of Kandhamal district and this institute to become centres of excellence providing high quality education to Tribal Students. To make interventions in the field of Tribal Education from Class-VI to XII education stage, including steps for residential facilities for the students and for promoting vocational component of education. Our aim is to enabling the meritorious children of tribal community through quality teaching and nurturing them to achieve success in sphere of their inherent talent.

Mission:

To establish, maintain, control and manage Model Tribal Schools which will provide education up to secondary and higher secondary stages with the aim of promotion of excellence in education, and to do all acts and things necessary for all round development of the tribal students. The School will aim at providing opportunities to meritorious children belonging to Scheduled Tribes & Scheduled Caste to receive high quality education. Our Mission is to provide high quality education and childcare in a safe, respectful and inclusive environment that builds a foundation for life-long learning. This school will foster an environment to nurture individuals of tribal areas academically, socially and emotionally so that they are equipped to tackle academic challenges and become productive members of the society.

To empower the marginalized ST and SC community through holistic education & to prepare the downtrodden children to play a role of "change agent" of their society. To bring them to mainstream of society & to instil sense of confidence in their mind and believe in the concept of "knowledge is power".
